

Surgical Research Society of Southern Africa

13 August 2020

Dear SRS Member

POSTPONEMENT OF THE 2020 ANNUAL GENERAL MEETING

Due to the unprecedented events of 2020, we were forced to postpone the 48th Surgical Research Society meeting in Stellenbosch.

Our Constitution (available on our website www.surgicalresearch.co.za) states:

12. The Society shall meet at least once a year. The scientific business shall consist principally of short papers followed by discussion.

15. An annual meeting of the members shall be held at some time during each meeting of the Society to consider matters raised by the Committee, or by members, to elect the officers and Committee and to receive the report of the Secretary/Treasurer.

Regarding Point 15 since no meeting was held this year and this not being a voting year, it was agreed to postpone of the AGM to 2021.

Whether the 2021 meeting will be virtual or hybrid will depend on the outcome of the Covid pandemic.
