Job Title
Organization Name
Department Description

IRC84657
Lecturer (Morphological Anatomy Division)
Anatomical Sciences

Brief Posting Description

The School of Anatomical Sciences wishes to appoint a **Lecturer** in the field of Morphological Anatomy. It is expected that the appointee will meaningfully contribute to the teaching, research and course development of the School. Experience in teaching or specialization in any branch of the Anatomical Sciences will be an advantage. The School is research orientated and has well-equipped laboratories.

Responsibilities:

Teaching of Morphological Anatomy to under- and postgraduate medical, allied medical disciplines and science students; administration of courses; supervision of postgraduate students; generation of research papers and participation in the academic activities of the School and the Faculty.

Qualifications and experience:

A degree in Medicine with an appropriate MSc degree or an MSc/PhD in Anatomy is required. Experience in teaching in a Health Sciences context is essential. A proven track record in research will be an advantage.

Remuneration:

Dependent on qualifications and experience. The package includes a provident fund, medical aid and bursaries for self and dependents, subject to University's regulations.

Closing Date : 15 February 2021
